MOTION FOR RETURN OF PERSONAL PROPERTY

Honorable Judge Paul Oetken,

The police conducted a search of residence (apartment which was rented) and other property.

They took a lot of my personal property along with property which belongs to landlord.

I understand that police do it routinely in order to have time to look over my property more

carefully, and to look for things that aren't readily apparent during the first quick examination.

Unfortunately, the agents didn't offer me to return that part of property that they didn't use

as evidence. As I know there are none connected to evidence. I worried that unused evidence

will disappear immediately after my case will be completed in the court.

Some of items belongs to landlord, some of them belongs to me which was never used in

any criminal activity, unless communicating with my family. And contains a lots of sentimental value for me.

The complete list of evidence is attached in APPENDIX A

And returning address in APPENDIX B

The reason why I am doing the MOTION is lack of time and mail communication with my

counsel was lost during COVID19 pandemic. Also a lots of documents was lost during N.Y. MCC

search in march. I haven't other options to motion Your Honor directly.

Please consider my admission and thank you in advance.

I am hopeful not to disrespect the Court with my communication.

Respectfully

Viktor Litvintsuk
